

Introducing Tabriz Petroleum

Your Trusted Partner for Reliable and
Sustainable Chemical & Energy Solutions

In a world driven by innovation and sustainability, we are the petroleum refinery that stands as a testament to resilience and progress. Our commitment to quality and environmental responsibility guides our production of essential fuels like jet fuel, while our expertise in desulfurization and hydrogen peroxide production paves the way for a cleaner, greener future. With every barrel we refine, we fuel the dreams of communities worldwide, demonstrating that even amidst challenges, resilience thrives. Our mission is not just to refine crude oil; it's to transform it into the lifeblood that powers progress.

About Tabriz Petroleum

Explore our exceptional range of petroleum products, encompassing heavy and light hydrocarbons, along with our renowned Jet Fuel (Aviation Fuel). Our heavy hydrocarbons are ideal for various industrial applications, while our light hydrocarbons find versatility in solvent extraction and chemical synthesis. Rest assured, our Jet Fuel meets rigorous aviation standards, ensuring peak performance and safety. Count on us as your trusted source for top-quality petroleum solutions, tailored to meet your specific needs.

ATK - Aviation Turbine Kerosene

Experience the Excellence of ATK Jet Fuel: Unleash the Power of Our Top-Quality Aviation Fuel for Uncompromising Reliability and Performance.
